

## 8. FAMILY SEARCH

Sally and Dan are, shall we say, motivated: they are both single, seniors, and searching for a soulmate. They met in one of their courses and have been chatting all semester. Today's the big day--they've decided to go on a date before class!

**FIND SALLY AND DAN OUTSIDE  
THE WILKINSON CENTER**

Prior to arriving, Dan doused himself in his favorite body spray. Sally brushed her hair twice and her teeth thrice. They chat outside the Wilk, giving Dan's cologne a chance to dissipate. That doesn't leave much time before class--they'll need to cram in as many campus activities as possible.

**WHAT THREE THINGS DO THEY  
DO ON THEIR DATE?**

First, Sally and Dan do some early morning bowling in the basement of the Wilk. Next, they enjoy a picnic brunch by the “stream” that runs sporadically by Heritage Halls. Then, they head to the Marriott Center for the weekly campus devotional, which happens right before their shared family history class in the HBLL.

**FOLLOW DAN AND SALLY  
TO CLASS. IS A SECOND  
DATE IN THE CARDS?**

While filling out a four-generation chart, they make a stunning discovery. It turns out that Dan and Sally share more than a class: they share an ancestor . . . and he's not ancestral enough! On the spot, these second cousins decide that the family tree could use a few more branches.

# HOW MANY MICROFILMS DOES THE BYU FAMILY HISTORY LIBRARY CONTAIN?

- ☐ A 1,875
- ☐ B 500,000
- ☐ C 875,000
- ☐ D 1,875,000

**B** 500,000

By some estimates, this makes the HBLL the second-largest family history library in the world. The largest? The Family History Library in Salt Lake City, of course.

Try using the "Relatives Around Me" option in the FamilySearch app. You might make some surprising discoveries!
