

16. THE QUEEN OF HEARTS AND THE ACE OF CLUBS

BYU students have to balance a lot: academics, work, social life, and sleep. Madeline is no exception. She was acing the first, and now she's crushing the last.

**FIND MADELINE NEAR
THE ARTS BUILDING**

Madeline passed out while reading *A Midsummer Night's Dream* for her Late Early Modern Soporific Studies class. When she comes to, study time is over and social time has arrived. She crams the book in her bag, but finds a note there signed "- from a secret admirer." Some crafty Cupid must have left it there while she was in the land of Nod!

**WHERE DOES MADELINE
RUSH OFF TO AFTER WAKING?**

It's Club Night! She's heading to the medieval combat gathering east of the Wilk. Throughout the evening, she wonders if perchance 'twas one of her noble sword-fighting friends who slipped her the note.

'Twas the bard! Here are the immortal lines that he penned...

The MOA Café on Thursday:
